## Our Escape Rooms

Our four rooms offer a range of difficulty; **Blackmail** is a beginner suitable room, best for a group that have never done an escape room before; **The Mystic's Cabin** is a little harder, and will be suitable for larger teams that have little or no experience; **Labyrinth: Lord Barrington's Folly** is a more hands-on physical game that will challenge all skill levels; **The Barrington's Job** is our hardest escape and should perhaps be reserved for more experienced escapers.
